1 And is it fair to say that the
2 information put in the press releases, the --
3 the filings, the SEC filings, or the social
4 media that you might use to pump up the price
5 of a stock for -- in this case for the four
6 that we were talking about, that the -- that
7 the kind of information is positive
8 information; is that right?
9 A. Yes.
10 Q. Because you're trying to -- to generate
11 interest in the stock?
12 A. Correct.
13 Q. All right. And let's, going back to -- I've
14 lost my -- oh, here it is.
15 MR. MOYE: 2.
16 BY MS. QUALLS:
17 Q. Exhibit 2. Okay. The last...
18 Okay. Sorry. Can you tell us in
19 your own words -- you don't have to look at
20 that -- but what was Mr. Jaberian's role as a
21 coconspirator?
22 A. He was a proxy to the BLLB public company.
23 Q. And what do you -- when you say a "proxy,"
24 what do you mean by that?
25 A. He was an extension for -- well, I had

29

1 previously used my name in ECMH and DIGI; a
2 new face was needed. I convinced
3 Mr. Jaberian to be that face.
4 Q. Okay. And while we -- I want to get into
5 that in detail, but just -- let me just round
6 out this criminal conviction issue.
7 I just wanted to introduce as
8 Exhibit 3 your judgment and order of
9 forfeiture. Exhibit 15 -- or -- sorry,
10 Exhibit 3. Let me find 3 -- is...
11 (Exhibit 3, Third Amended Judgment in a
12 Criminal Case, is marked for identification.)
13 BY MS. QUALLS:
14 Q. This is called the "Third Amended Judgment in
15 a Criminal Case, United States versus Mark
16 Allen Miller." Do you see that?
17 A. Yes.
18 Q. And it says at the top -- or below your name
19 it says that you pled guilty to Count 1. Do
20 you see that?
21 A. Yes.
22 Q. And it says the remaining counts were
23 dismissed. And on page 2 it says that you
24 were sentenced to a term of imprisonment of
25 12 months and a day as to Count 1. Do you

30

1 see that?
2 A. Yes.
3 Q. Is that true?
4 A. Yes.
5 Q. And have you already served that time?
6 A. Yes.
7 Q. When did you get out of prison?
8 A. April 9th, 2024.
9 Q. Okay. And if you turn -- on page 3 it also
10 says that you're under supervised release for
11 a period of two years. Do you see that?
12 A. Yes.
13 Q. Are you currently on supervised release?
14 A. Yes.
15 Q. And if you turn to page 5, it says that -- or
16 a special -- a special condition of your
17 supervision, you are prohibited from
18 purchasing, trading, or selling stocks during
19 the term of supervision. Do you see that?
20 A. Yes.
21 Q. And are you complying with that --
22 A. Yes.
23 Q. -- supervision?
24 A. Yes.
25 Sorry.

31

1 Q. That's all right.
2 Okay. And there is -- on the
3 page 7 at the bottom, there is a reference to
4 a forfeiture order. Were you ordered to
5 forfeiture -- forfeit money in this case?
6 A. Yes.
7 MS. QUALLS: I'm gonna mark as
8 Exhibit 4 -- here's your forfeiture order.
9 (Exhibit 4, Order for Forfeiture, is marked
10 for identification.)
11 BY MS. QUALLS:
12 Q. Okay. Now, do you recognize this order of
13 forfeiture signed by Judge Doty on May 30th,
14 2023?
15 A. Yes.
16 Q. And do you see on the second page that he
17 ordered you to forfeit \$38,292?
18 A. Yes.
19 Q. And have you paid that money?
20 A. Yes.
21 Q. Okay.
22 A. Plus the hundred-dollar assessment.
23 Q. The special assessment, yes. Okay.
24 And did -- let me...
25 Okay. Who is Saeid Jaberian?

32

Mark Miller
9/19/2024

<p>1 that never actually did.</p> <p>2 Q. And why do you need these board resolutions?</p> <p>3 A. You need to build a foundation for what makes</p> <p>4 you the legitimate controlling party of -- or</p> <p>5 I guess in his case the illegitimate</p> <p>6 controlling party -- of that public company</p> <p>7 you're pursuing.</p> <p>8 Q. Did Mr. Tang provide you with templates about</p> <p>9 these -- for these documents?</p> <p>10 A. Yes, he did.</p> <p>11 Q. Okay. And did you use those templates in</p> <p>12 connection with the four stocks that we've</p> <p>13 been discussing?</p> <p>14 A. Yes, I did.</p> <p>15 Q. And what -- did he also teach you about what</p> <p>16 to do after you got control of the public</p> <p>17 company?</p> <p>18 A. Yes.</p> <p>19 Q. What did he tell you?</p> <p>20 A. Create debt.</p> <p>21 Q. Okay. What does that mean?</p> <p>22 A. Creating debt is to age debt with the stock</p> <p>23 because there's a resting period to take</p> <p>24 stock from restricted to unrestricted free</p> <p>25 trading, followed by Rule 144 or Rule 4A1</p> <p>37</p>	<p>1 they do it. I never really got involved with</p> <p>2 that part. But you would pay a fee and they</p> <p>3 would work on promotion.</p> <p>4 Q. Okay. And what -- was he -- did you ever pay</p> <p>5 him a fee in connection with the four stocks</p> <p>6 we've been talking about?</p> <p>7 A. I don't remember, but -- I don't -- I don't</p> <p>8 want to say something that's inconsistent</p> <p>9 with the proffers that I've previously given.</p> <p>10 So --</p> <p>11 Q. I understand. I'm not trying to catch you in</p> <p>12 any --</p> <p>13 A. Right. Yeah.</p> <p>14 Q. -- memory test.</p> <p>15 A. So I don't remember if I ever did or not.</p> <p>16 Q. Okay.</p> <p>17 A. I could have. I don't recall.</p> <p>18 Q. Did -- did Mr. Black work on social media, or</p> <p>19 was he more in the realm of press releases?</p> <p>20 A. Never got involved with his side of promotion</p> <p>21 or marketing; so I don't know how he made the</p> <p>22 information available.</p> <p>23 Q. Okay. What -- what -- can you describe</p> <p>24 Mr. Jaberian's role in the pump-and-dump</p> <p>25 scheme that we've been talking about.</p> <p>39</p>
<p>1 based on a two-year -- one-year or two-year</p> <p>2 holding period.</p> <p>3 Q. Did the four public companies we've been</p> <p>4 talking about have this -- did you take debt</p> <p>5 in connection with those?</p> <p>6 A. No.</p> <p>7 Q. Okay.</p> <p>8 A. There was no debt taken in any of those.</p> <p>9 These were surface hijackings, meaning they</p> <p>10 didn't go very deep. It was in and out. You</p> <p>11 know, at the end of the day, the companies</p> <p>12 were -- well, ECMH, perfect example, was an</p> <p>13 8-K, and when Mr. Webber pushed back, I filed</p> <p>14 an 8-K to remove myself so that it was as if</p> <p>15 it had never happened even though the damage</p> <p>16 was already done.</p> <p>17 Q. So after -- other than this debt issue, did</p> <p>18 he -- Mr. Tang tell you anything else about</p> <p>19 what to do after the debt?</p> <p>20 A. Not that I recall. I mean, I had several</p> <p>21 conversations with Mr. Tang, some of which</p> <p>22 were made available to the FBI and DOJ but...</p> <p>23 Q. Okay. Who -- who is Jason Black?</p> <p>24 A. He was a stock marketer. So he would market</p> <p>25 a stock, you know, and -- I don't know how</p> <p>38</p>	<p>1 A. He was -- well, for BLLB he was just the face</p> <p>2 of the company.</p> <p>3 Q. Okay.</p> <p>4 A. In regards to the other three, you know,</p> <p>5 Mr. Jaberian never shared with me the</p> <p>6 purchase prices he bought at or sold at. I</p> <p>7 don't know how much he made. Any indictment</p> <p>8 disclosures for illicit gains, I would have</p> <p>9 to take the DOJ at their word because</p> <p>10 Mr. Jaberian was very private about that, and</p> <p>11 I never had access to his accounts or</p> <p>12 anything like that. So as far as the one</p> <p>13 BLLB company, that was the only one that I</p> <p>14 personally feel he participated in at my</p> <p>15 request to be the face of the company --</p> <p>16 Q. Okay.</p> <p>17 A. -- and to give me a concept idea to use in a</p> <p>18 press release to pump the stock.</p> <p>19 Q. Okay. So you -- did you ask Mr. Jaberian to</p> <p>20 be the CEO of BLLB?</p> <p>21 A. I did.</p> <p>22 Q. And why did you ask him to do that?</p> <p>23 A. Because my name had already been on two</p> <p>24 different public companies. So in essence, I</p> <p>25 was getting what some may refer to as "burnt"</p> <p>40</p>

Mark Miller
9/19/2024

1 in the public eye, that people would say, Oh,
2 don't buy into that Mark Miller stock. You
3 know, it's just a pump-and-dump.
4 Q. Okay. And did you -- did you tell
5 Mr. Jaberian that you -- your name was burnt?
6 A. I don't recall if I told him that or not.
7 Q. Did -- did you -- did Mr. Jaberian agree to
8 be the CEO?
9 A. He did.
10 Q. And did you help him become the CEO?
11 A. Yes, I did.
12 Q. And what -- did that involve working with
13 Shelley Goff and getting access to EDGAR?
14 A. I believe so and filing -- I think BLLB was
15 in the state of Florida. So that would have
16 been me doing the state filings for Florida.
17 Q. And that would be telling the state --
18 telling Florida Secretary of State's office
19 that Mr. Jaberian was now the new CEO?
20 A. Controlling party, that's correct.
21 Q. And then once you had that done, you then
22 went to use Ms. Goff to get access to the
23 EDGAR system?
24 A. Yes.
25 Q. And when you...

41

1 (Sidebar.)
2 BY MS. QUALLS:
3 Q. Did Mr. Jaberian do anything legitimate as
4 the CEO of BLLB?
5 A. No, he followed my lead.
6 Q. Okay. Well, in your -- was he a legitimate
7 CEO?
8 A. No.
9 Q. Okay. So -- because we talked about before a
10 legitimate CEO and an illegitimate CEO;
11 right?
12 A. Yes.
13 Q. So in your view, he -- Mr. Jaberian was not a
14 legitimate CEO of BLLB?
15 A. No.
16 Q. Okay. And how do you know that?
17 A. Because the documents that -- well, you know,
18 I guess no one contested it, but I -- they
19 were part of the indictment, and, you know,
20 ultimately we all pled guilty to it. So...
21 Q. Well, you --
22 A. That's kind of a tough question to answer --
23 sorry -- because, you know, I knew he was
24 illegitimate. Did he know he was
25 illegitimate? He probably thought he was

42

1 legitimate at -- at some point, you know.
2 And I do remember that Tashanie Narain had --
3 had control of the Twitter account, and she
4 had posted something to cause the stock to
5 pump, and Mr. Jaberian was extremely upset
6 about it and immediately wanted to distance
7 himself from it.
8 So I just -- I want to make sure
9 that -- once again, that I'm telling the
10 truth to the best of my accuracy where it
11 doesn't -- so it's not inconsistent with my
12 previous proffers.
13 Q. I understand.
14 A. Yeah.
15 Q. So to the best of your knowledge, what was
16 the extent of Mr. Jaberian's role as the CEO?
17 A. The proxy CEO face of the company and to
18 provide a -- a business concept, an idea for
19 me to be able to prepare a press release off
20 of.
21 Q. And so did Mr. Jaberian provide you with this
22 business concept?
23 A. Yes.
24 Q. Was there any -- did -- did you believe that
25 the business concept that he provided to you

43

1 was gonna be the real business of BLLB?
2 A. At that time, I did believe that the
3 Solumbour business was legitimate out of the
4 Middle East.
5 Q. Okay. Well, let's -- that's -- I think
6 that's -- I understand --
7 (Simultaneous cross talk.)
8 THE WITNESS: Sorry.
9 BY MS. QUALLS:
10 Q. Okay.
11 A. Maybe I didn't understand the question.
12 Q. Fair enough. Let me try to rephrase.
13 I'm not asking whether this
14 Solumbour business was legitimate in the
15 Middle East. I'm asking whether BLLB as a
16 U.S. shell was gonna be in the -- the
17 business of -- actually be the business of
18 leather import and export.
19 A. That was the intention eventually; however,
20 that goes back to Richard Tang and what he
21 referred to as "the long game," being the
22 more time that passes, the further it
23 legitimizes your illegitimate actions, which
24 would be the actions I took to get
25 Mr. Jaberian there. Does that make sense?

44

Mark Miller
9/19/2024

<p>1 Q. Okay. Did you believe that Mr. Jaberian knew 2 after he got out of BLLB that what he was 3 involved in was a pump-and-dump? 4 A. In my opinion, yes. 5 Q. Okay. And how -- why do you believe that? 6 A. Because it mimicked the same characteristics 7 of a pump-and-dump. You know, the price went 8 up, everybody made money; Hey, this is 9 another way to produce revenue or, you know, 10 put money in your pocket. Gives you an 11 inside edge against, you know, trading the 12 market traditionally. Just my opinion. I 13 don't -- I don't recall. 14 Q. Do you recall -- so did you -- do you recall 15 telling Mr. Jaberian to buy the UITA stock? 16 A. I don't recall telling him to, but I probably 17 did if he -- if he traded it. 18 Q. Okay. And did you tell Mr. Jaberian that you 19 were gonna hijack UITA? 20 A. I don't recall ever discussing with him that 21 I was hijacking any of the companies. 22 Q. Okay. Did he ever ask you any questions 23 about who was the CEO? 24 A. Of UITA? 25 Q. Yeah.</p> <p>93</p>	<p>1 wanted to move UITA from triple zero five to 2 double zero seven, it may only cost you a 3 thousand dollars to do it because there was 4 no stock in between, you know. But this is 5 just from my perspective. 6 Q. Right. What's thinkorswim? 7 A. Thinkorswim is a platform that TD Ameritrade 8 provides to your average joe trader that 9 gives you live trading, buying and selling, 10 shows market makers that are on the ask -- or 11 on the bid, and mark makers that are on the 12 ask so you can see real-time trades 13 occurring. And a lot of traders use that as 14 a tool to project, Is it going up? Is it 15 coming down? And trade accordingly, if 16 they're day traders or whatever they're 17 doing, you know. 18 Q. Is that one of the sources you looked at to 19 decide what company to hijack? 20 A. I didn't use TD Ameritrade as a source 21 necessarily. Like, it wasn't my consistent 22 go-to as opposed to, like, the lack of 23 filings and whatnot. But -- but when we 24 would purchase shares in stock of it, you 25 bet, before anything occurred, how easily</p> <p>95</p>
<p>1 A. Oh, I don't remember. I -- well, if he 2 saw -- he knew my brother's name; so I'm 3 assuming that if he saw Richard he would 4 know, oh, that's your brother. 5 Q. Did he ever ask you, like, How did your 6 brother become CEO of UITA? 7 A. No. 8 Q. What -- why not? 9 A. I don't remember ever having a conversation 10 with him about it. 11 Q. Okay. Did he ever ask about what the 12 business of UITA was? 13 A. I don't remember. I don't think so. 14 Q. Did he ever ask you why you expected UITA to 15 be a profitable investment? 16 A. I don't remember. That's a good question. 17 Probably because of the -- I probably let him 18 know that, Hey, this one I think will run 19 because it had a very low share structure. I 20 do remember UITA had a very low outstanding 21 share count. And when you would look at 22 Level 2 on thinkorswim with TD Ameritrade, I 23 noticed that there was oftentimes a huge 24 spread between the bid and the ask or between 25 market makers on the ask. So if someone</p> <p>94</p>	<p>1 could this move when I would buy at triple 2 zero whatever, you know? And so, yeah, I -- 3 I don't want to -- jeez, I don't want to say 4 I relied on it heavily, but it could 5 definitely have been a factor. 6 Q. And so that was one of the data points that 7 you looked at to -- to be able to help 8 predict how fast the stock would move based 9 on the fake news? 10 A. I could say that at that time -- well, 11 knowing what I know now about thinkorswim, I 12 would use it as a tool to trade, yes, but -- 13 but not for the hijacking part. I'm just 14 saying. 15 Q. But more for where the stock is gonna move 16 after? 17 A. Yeah. Yes, just as an indicator. 18 Q. And do you recall ever discussing any of 19 those, your predictions, about the stocks 20 with Mr. Jaberian? 21 A. I don't remember. 22 Q. Okay. Did -- did you ever -- can you think 23 of anything else you might have told 24 Mr. Jaberian about UITA? 25 A. No, I don't -- I don't remember.</p> <p>96</p>

RE: Case No. 21-CV-01445 (DSD/ECW) DOC. 130 Filed 02/21/25

PLAINTIFF'S MOTION FOR PARTIAL SUMMARY JUDGMENT
AGAINST DEFENDANT SAEID JABERIAN

My name is J. Scott Webber. I am the CEO of Encompass Holdings Inc. (ECMH) and held that position when a Mark Miller hijacked ECMH.

I am the whistleblower that reported Mark Miller to FINRA in Nov. 2017 as he was attempting to hijack ECMH. As a victim I request that all evidence be ruled upon by a jury. I believe the findings I will describe brings the whole DOJ case into question.

I object to any Summary Judgment Motion in this case for numerous reasons some of which I will describe below.

I submitted a letter to the court during the DOJ case which is attached to this letter as Ex. 1. I sent that information to all involved in DOJ and SEC Mark Miller cases over 3 years ago. I questioned Mark A. Miller's identity then and provide more information on the subject in this letter supporting the objection to a summary judgment filed by defendant Saeid Jaberian.

This is a case of stolen identities, forged documents and securities fraud that involved far more than the defendants named in these two cases. I have been following this case closely to see if the SEC identifies all involved and their actual identities some of which I have disclosed to them in the past.

The actual identity of defendant Mark A. Miller has been overlooked in both cases in my opinion. I base that opinion on the following information that is public information provided by the SEC itself.

1. The SEC complaint Mark Miller.

Defendants

12. Mark A. Miller, age 43, is a resident of Pequot Lakes, Minnesota. His last known occupation was in the construction arena, including buying homes, overseeing home improvement projects on the homes, and then buying or renting the properties.

2. The DIGI and ECMH hijacker Mark Miller is identified in EDGER filed documents and is not the same person as identified in the SEC complaint.

This Mark Miller is a different person than the one that hijacked ECMH and also is not the defendant Mark A Miller.

Who is defendant Mark A. Miller? The SEC complaint claims he's the brother of Richard and Philip Kilchesky who he used as proxys in his UITI hijack.

80. On March 13, 2018, Miller filed a certificate of reinstatement for UITA in the Secretary of State of Nevada and paid UITA's outstanding fees. He also submitted additional paperwork falsely identifying his brother as UITA's President and Director ("UITA Nominee 1"), another brother as UITA's Treasurer ("UITA Nominee 2"), and himself as UITA's Secretary.

I did some additional research into the Kilchesky brothers who were not named as defendants despite their position as the same type of proxy as that of defendant Saeid Jaberian. I found that there is a third Kilchesky brother named Mark that has the same birth date as defendant Mark A Miller.

It appears defendant Mark Miller is or was Mark A Kilchesky and may be a proxy of the actual Mark Millers that hijacked numerous corporations

Above is just a portion of the information I've researched that brings into question, who was the Mark Miller that the DOJ presented to a Grand Jury. If the information I've provided is factual any defendant admissions would likely be in question. The prior information I submitted during the DOJ case seems to have been ignored or hidden. My intent now is to get this info into the court record in this SEC case so that the actual truth can be presented to a jury.

I don't believe it would be fair to Mr. Jaberian or me or even in the SEC's best interest to keep any disputed evidence from the jury at trial via a Summary Judgment. The facts presented in both of my letters to the court support Jaberian's objection to summary judgment based on disputed claims of defendant Mark Miller's actual identity and should be presented to a jury as requested by Mr. Jaberian.

My name is Janes Scott Webber. I am 71 years old. I have never been arrested or convicted of any crime. I am the C.E.O. of Encompass Holdings Inc. I am the Whistleblower in the two cases identified above. I reported the hijack of Encompass Holdings to F.I.N.R.A. In November 2017. Shortly after reporting the hijack I was interviewed by Raven Winters representing the S.E.C. The hijack was committed by a person calling himself Mark A. Miller and was accomplished by stealing my identity and forging documents that Miller filed with E.D.G.A.R. The document was a Form 8k that claimed a Board of Directors meeting was held where I resigned and Miller was appointed CEO and sole Director of Encompass Holdings. Miller either forged my signature or EDGAR accepted documents without my signature.

Within about a weeK I discovered Miller's fraud and contacted FINRA that same day. I also confronted Miller by email concerning his fraud and identity theft. The details are described in the SEC case documents.

In 2019 I was contacted by the U.S. Postal Service and the FBI concerning the Miller hyjack of Encompass Holdings. I provided them with the same details I had provided Raven Winters (SEC).

At that point it became clear to me that the investigation was more than a simple "pump and dump" scheme involving Miller alone.

I attempted to get more details on the investgation but was told by all those investigating Miller that they could not share no information with me.

At that time (2019) I started looking deeper into Mark Miller myself using SECINFO.com. And internet search engines Using that information I could see that Miller was attempting the same hijacking with other corporations and EDGAR had accepted fraud documents filed by Miller again despite my 2017 information provided to FINRA and the SEC. If I remember correctly the Mark A. Miller identity was linked to 15 other SEC filing corporations.

All of this information was public information and easy to find.

I could also see that Miller was part of a team that included Defendant Jaberian, his brothers

Richard and Philip Kilchesky and others Miller placed in key positions at the various hijacked corporations.

It wasn't until the DOJ and SEC filed their cases in June 2021 that I knew for sure that the Kilchesky's were Millers brothers. At that point I started to investigate the Kilchesk family. It was again easy to see that the Kilchesky brothers had a brother named Mark A. Kilchesky who at some time after 2011 started using the name Mark A. Miller As Mark Miller he established residence in Breezy Point, Minnesota and ran for and won a seat on the Breezy Point Cith Counsel. These acts were of no surprise to me knowing that both cases involving Miller were based on fraud and forgery.

In 2021 after the cases were filed I contacted the SEC, FBI and DOJ with my belief that the indicted individual Mark A. Miller was actually Mark A. Kilchesky.

Sometime after the cases were filed and I was personally designated a victim I received an email threat from Mark Miller telling me to leave his family out of the picture and if not Karma would be a bitch for me. I notified the DOJ, FBI and SEC of that threat. From that day to now this has become a very serious case with me and I demand the true facts be known and reflected in the court documents in each case. If not I nor my family have protection.

The DOJ has named me personally as a victim with all rights granted in the Victim Protection Act. Those rights include protection and restitution. If the true identity of Mark A Miller is not made clear to the court and documented both my protection and restitution are greatly compromised in an attempt to accept a plea deal from Mark Miller. The court should identify who I'm actually protected from if the defendant Miller uses other identities.

In addition I became aware that the same Mark A. Miller was attempting to hijack another company named New Wold Gold. He again filed forged documents in Florida in that hijack attempt. I contacted a company that Miller claimed to have hired to do mining exploration work. The CEO of that company confirmed the Miller contact and emailed me a copy of a cashiers check that Miller used for that exploration work. He told me the check was forged. I sent a copy of that check to the SEC attorney and DOJ attorney assigned to the Miller cases. As of my last emailed information from the company CEO no one has contacted him about the suspected forged check. The check was signed by two individuals other than Miller and was from a bank in OHIO.

I am again acting as a whistleblower and providing what I have found. I don't care at all about my name as a whistleblower becoming public information. I've submitted two additional whistleblower statements via The SEC Whistleblower Program on my findings concerning the cases and events I found.

I don't feel that I'm receiving the protection and restitution provided in the Victim Protection and Restitution Act the DOJ has granted me. I'd like this letter / statement to be placed in the case record in both the DOJ case and SEC case. I have found that Mark Miller and Saied Jaberian are linked to numerous corporations in numerous states. If true that makes my personal proection a critical situation. It also impacts the restitution available to me if facts are hidden in these cases. I will be using restitution funds I receive to protect myself from numerous individuals connected with the cases defendants.

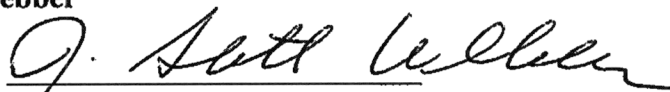

The most effective protection I can receive is the truth and identification of all individuals involved with this group. There are many. Despite the evidence showing four Kilchesky family members were involved in the forgery and fraud not one is listed as a defendant in either case. I claim four because Mark's wife Jennifer is also involved per my findings.

In light of my findings and the direct threat I've received from Miller I demand that neither the DOJ or SEC accept any plea deal from Mark Miller or Saeid Jaberian and that both go to trial by jury and that my findings and opinion (this letter) be entered as case documents that anyone interested can find in a PACER search regarding both cases.

I don't feel that I should have to file a Complaint and endure the cost to do so in order to expose the information I've found with far less ability to do so than that of the DOJ, FBI and SEC. I did nothing to attract the identity theft, fraud and threat I've received but I want to make it very clear to all involved that I demand the whole truth, and all facts be made public and clear, that I receive all protection and restitution available as a victim and original whistleblower that initiated the various investigations and prosecution of the three individuals indicted in each case. I also demand that the information I provided on the suspected forged check used by Miller and the continued fraud now occurring by the individuals placed in the various hijacked companies by both Miller and Jaberian be honestly investigated and prosecuted as the law provides. If accurate additional individuals are involved and bank forgery charges should be investigated.

Respectively
